Required competencies and competency elements that this subject contributes to and helps to develop

a) Knowledge

- Possess the expert knowledge and teaching methodology which help to develop the personality of children aged 3-7 in a harmonious and complex way.
- Can interpret the socio-culturally embedded nature of children's development and preschool education, and the effect of this on the pedagogical process.
- Can show awareness of the professional regulations of the preschool teacher profession, its socially approved norms and the characteristics and effects of English language communication belonging to this job description.

b) Capabilities

- Adapt their EFL methodological expertise as well as a holistic approach to preschool education with consideration to the characteristics of the child and the child's age group. Can build adaptively on the different personalities, previous experience, knowledge, competencies, and age specific characteristics of children aged 3-7.
- Can follow international pedagogical literature, deepen professional knowledge on scholarships and study trips, make phone calls and exchange letters in the target language, talk and publish on international professional platforms.

c) Attitude

- Show commitment to developing strategies, methods and activities promoting the organization and expansion of the experience and knowledge of children aged 3-7, and to creating an environment promoting the success of English language communication in educational activities while inspiring, confirming the development of the child's personality.
- Show openness to learning about and applying the latest results of educational theory at home and worldwide, methodological innovations, as well as the latest information and communications technologies.

d) Autonomy and Responsibility

- As a reflective preschool teacher and autonomous personality, they are conscious leaders of their own professional development.
- Can responsibly establish and maintain professional co-operations.

Besides their professional preschool responsibilities, they also assume responsibility for the mission of their own institution, and the protection of the internationally acclaimed values of Hungarian preschool education.
